Vice
President

KADE LAWRENCE

Randall County 4-H

"I want to make important, meaningful connections with members of our district, and build new relationships with those individuals. I would like to contribute new ideas to the District in any way that I can, and be a part of an experience for all youth down the road."

Treasurer

HADLEY DEAR

Randall County 4-H

"My ideas include focusing on involvement, and bringing more publicity to our district. With everything going on in the world today, it is easy to forget about what 4-H is and what we do as a district, giving more online coverage could help us out immensely."
