MEET OUR NEW 4-H AGENT

Kayla Lanford

My name is Kayla Lanford, and I am honored to serve as the new Randall County Extension Agent for 4-H and Youth Development! I grew up in Quitaque, Texas, and graduated from Valley High School where I was extremely involved in FFA. Some of my favorite memories were made while serving in leadership roles, showing livestock at all the majors, and competing on the state and national level in multiple career and leadership development events. This is where my passion lies!

Under incredible mentors, I earned my Bachelor's degree from West Texas A&M University as one of the first students to graduate from their Ag Communications program. My experience at WT prepared me for a wonderful career in communications and public relations for organizations like Texas Cattle Feeders Association.

My husband, Rob, and I have two awesome kiddos, a 10-year old daughter, Halli, and a 6-year old son, Carter. We've lived in Canyon for the last five years where we've enjoyed our involvement with Randall County 4-H, Summit Church and youth sports.

I believe there is no greater investment than to give of your time, talent and resources to help mold and prepare future leaders. Thankfully, we're blessed to live in Randall County where the people are second to none in terms of their generosity in that department, and it shows in the success that Randall County 4-H'ers have enjoyed thus far. I look forward to partnering with community leaders, parents and volunteers to ensure continued success and growth for the students of Randall County 4-H.

ASSISTANT AG AGENT

Josie Hicks

Hi, My name is Josie Hicks. I was raised here in Randall County, where I raised show pigs and was a member of 4-H. I graduated from Canyon High School in 2018 and then attended West Texas A&M University where I obtained my Bachelor's degree in Agribusiness.

For the past two years, I have worked as a Graduate Assistant and Recruitment Coordinator for the Department of Agricultural Sciences at WT; I will receive my Masters of Science in Agriculture Education this coming August. I spend most of my time with my family and Fiancé, Wesley Strnad, we will be getting married in September. I am excited to begin this new journey as Assistant County Agent and give back to the county that raised me!
